# Promoter's Message

Presented with the  
Compliments of  
**LES MARCH DATSUN**  
THE DATSUN CENTRE  
OF COLLEGE PARK

*Good Evening Everyone,*

*Tonight sees the running of the South Australian Solo Championship, which is the first round of the World Championship Series. The first six placegetters from tonight's title will qualify for the Southern Zone Final in two weeks when they will meet the top six Victorian and the top four Western Australian riders.*

*John Boulger, after a brilliant performance last week, will be attempting to equal the legendary Jack Young's record of nine State Titles at Rowley Park. The only other multiple winners are Bob Leverenz (three times) and Jack Scott who won in 1965 and 1967.*

*Our second major attraction tonight is the South Australian Qualifying Round for the Australian Speedcar Championship, to be held in Perth next month. At present Phil Herreen is 15 points clear of Trev. McIntosh, who is 2 points ahead of Greg Anderson, then Rex Hodgson in fourth place, 26 points behind Phil. Tonight's main race will decide the two official South Australian cars, although entries will be accepted from other competitors who are keen enough to make the trip across the Nullarbor.*

*Congratulations to Bill Wigzell, who ran a very close second to Steve Brazier at the Australian Sprintcar Championship in Warrnambool last Monday night. We've been hearing stories about top drivers from all over Australia, but "The Wizard" can still put in the performance when the chips are down.*

*Anyhow! It's time for more action, so sit back, light up a Winfield 25's and enjoy the Racing.*

JIM NIEMANN.

## THE SOUTH AUSTRALIAN SOLO CHAMPIONSHIP

AND QUALIFYING ROUND FOR  
THE SOUTHERN ZONE FINAL

---

**Points are scored as follows:**

**First: 3 points; Second: 2 points; Third: 1 point.**

At the conclusion of 20 heats, if two or more riders have scored the same number of points, run-off heats will be held to decide positions 1 to 3.

Helmet colours will denote starting positions — Red: position 1, inside of track; Blue: position 2; White, position 3; Yellow: position 4, outside lane.

The programme as set down will give each rider 5 starts and the opportunity to compete against every other rider. Each rider has been programmed to start from every starting position at least once.

Riders will be excluded for tape breaking or exceeding the two minute limit. If a rider is excluded prior to the start of a race, he will be replaced by one of the reserves.

If a rider falls or has mechanical failure during the race or is excluded after the race has commenced, the reserve will not be used, only the remaining riders will re-start.

**THIS CHAMPIONSHIP IS RUN UNDER THE RACING  
REGULATIONS OF F.I.M.**

Favourite for tonight must be **John Boulger**, eight times S.A. Champion with the last seven in a row; he has been Australian Champion on two occasions — 1970 and 1973 — and has qualified for the coveted World Final.

**Lou Sansom:** Back with a vengeance and a real chance tonight. He won the recent Jimmy Gavros Memorial, defeating J.B. and Co. He has ridden in England and was holder of the Second Division Riders Championship.

**Tony Boyle:** Second in the S.A. title the last two years but has yet to show his true scratch form but has been hard to toss in handicap features.

Others to watch are Rob Maxfield (third last two years), Danny Boyle (just back from England) and Kym Amundsen.

## Four Wheel Pit Torque with Rob Lock

### **SALOONS:**

The 1978/79 Saloon Car Champion is Cary McCarthy. Cary took his Adelaide Car Co. Monaro to a fine win, making full use of his No. 4 draw. Tony Orlando a well deserved second after taking 7 seconds of the 12 lap record in winning his heat. Waikerie driver David Gwynne drove a steady race to take third.

Points to Meeting 7:—

R.D.A. No. 1 — Crowhurst, 128; C. McCarthy, 65; I. Benneche, 54; N. Pratt (M.B.), 40.

Stars — Crowhurst, 15; Orlando, 13; I. Benneche, 6.

B. Grade — T. Dennis (Waikerie), 14; I. Jones, 14; A. Jarret, 12.

Anderson Bros (N.S.W.) again dominating Saloon Racing. Adrian won the \$4,000 Lismore Selbys Grand National while Grenville won the \$1,000 — 100 Lap Gold Cup Classic also at Lismore.

### **SPEEDCARS:**

The 33rd Australian Speedcar Grand Prix held last week-end at Liverpool resulted in a win to veteran driver Barry Pinchbeck in his Ipec V.W. He won by half a lap from Geoff Spence and Michael Meyer, both N.S.W. drivers in V.W.'s.

Main race tonight is the S.A. Speedcar Qualifying Round to select our representatives for the Australian title at Claremont.

Top points scorers to date are:—

Herreen, 83; McIntosh, 68; Anderson, 66; Hodgson, 57 and McMillan 45 up to and including Meeting 7).

### **SPRINTCARS:**

Steve Brazier is the new Australian Sprintcar Champion following a win at Warrnambool (Victoria) last weekend. South Australia's Bill Wiggall was second, Tim Moncrief (Tas. — 3rd) and Noel Bradford (W.A. — 4th). Rush and Barbagello, two favoured drivers, were eliminated in a crash on Lap 11.

Held over 8 heats, which saw wins to Rush, Barrows, Farr, Harrower, Wiggall, McCubbin, Barbagella and Moncrieff. Wiggall was the top qualifier with 55 points from his two starts and led the field off the pole in the Final.

Barrows and McCubbin both broke the Warrnambool 12 lap record in their heats.

## ON THIS NIGHT

### 10 Years Ago - - -

*Meeting No. 10, 1968-69 season.*

Main event was the State Round of the "Craven Filter" National Championship. Two special six lap interstate races resulted in wins to Blair Shephard (Qld.) and Tatnell (NSW). The final saw a 1-2-3 Queensland finish as Goode led home Shephard and Watt. Time for the 40-lap event was 10.59, a new track record. Super Mods provided the action with a new 20-lap feature record to Herreen who led home Agars and Harris. In a Stars Match Race series Skipper and Denton tied on six points but Skipper received a one month suspension for fencing Denton. Another feature track record fell to Dennis Freeman in the Stockcar race.

### 20 Years Ago - - -

*Meeting No. 10, 1958-59 Season.*

The English Solo Test Team (McKinlay, Hussey, Hagen, McGregor, Nicholls and Mountford) defeated Australia. McKinlay, who captained England, scored a 12 point maximum, with Australia being best served by locals Young and Scott. Speedcar feature was won by Bob Tattersall.
